About Us

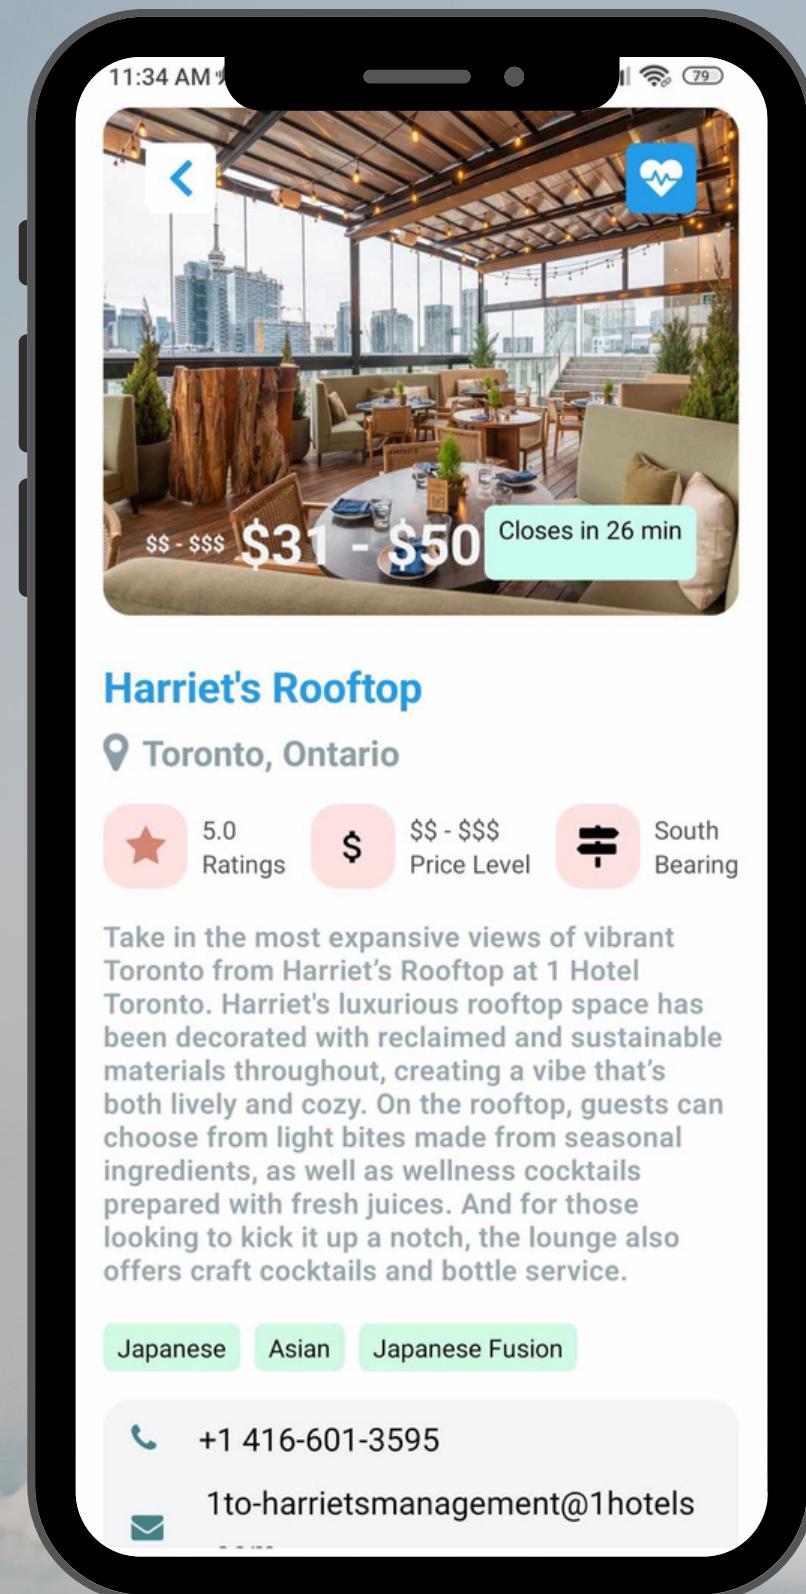

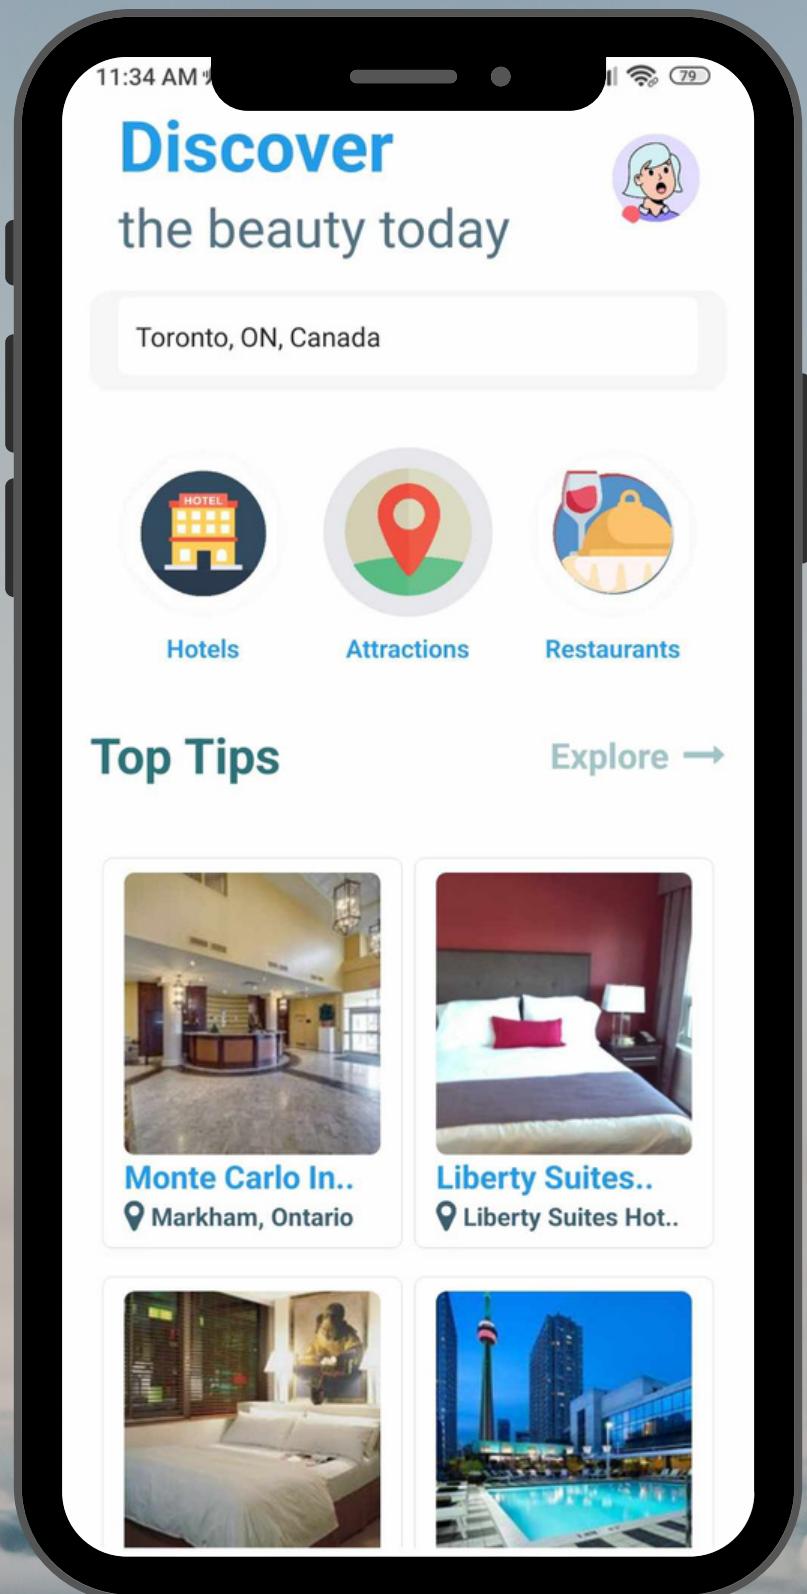

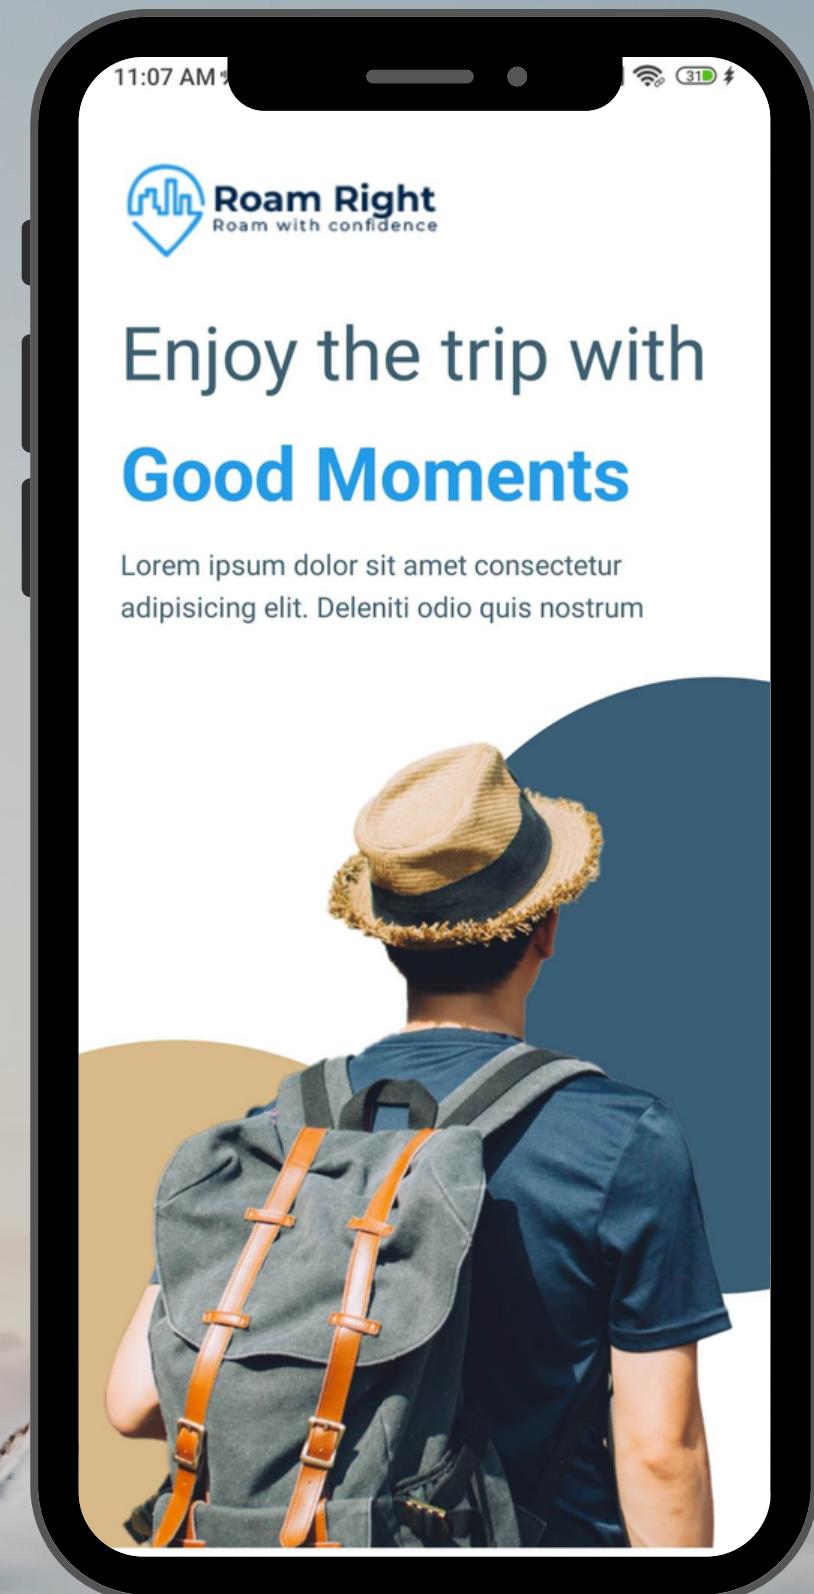

RoamRight is a travel aid application that makes travel planning and enjoyment seamless for its users. Our extensive features and user-friendly interface allow users to easily discover new destinations, and obtain information about local landmarks and hidden gems - all from the convenience of their mobile device.

Our mission is to provide travelers with a hassle-free experience and help them make the most out of their journeys. Whether you're a frequent traveler or planning your next adventure, RoamRight has got you covered.
